- Suggest topics for upcoming meetings
- Sign up for student leadership positions
  - Thanks Harshita and Lawreen!
- Share calendars and co-sponsor and promote events

# What are we working on?

- Blockchain proof of concept (UBCoin) – Sujay and Pritam
- Medical supply tracking app – Mateusz
- Financial data visualization - Harsha

# Forming a project team

- If you find a team, let me know what you're working on
- If you need a team, let me know what you're interested in
- There is something for everyone!

# What's Next?

- Meetings will be every other Wednesday, 5-6:30, in Davis 338
- Next meeting is on March 14<sup>th</sup>, and we'll talk about Alexa
- Working on scheduling Hololens, Patent Filing, and Buffalo Open Data Portal sessions
- Send me your topics, ideas, or volunteer to lead a session!
- (yes, there will be food)
